## THANK YOU FOR CHOOSING US FOR YOUR MEDICATION NEEDS!

We help you understand the ins and outs of network health-care benefits. This includes the amount you pay us after your insurance company covers its share.

### Medical assistance

Our pharmacists and staff are available to speak with you and answer any questions you may have

### Medical supply

We are a full service pharmacy available to assist with your medication and medical supply needs.

### Insurance coverage

We work directly with your insurance company to maximize coverage and limit your expenses.

## Quaker Community Pharmacy

Quaker Community Pharmacy services all customers who present a valid physician's prescription order via ePrescribe, fax, telephone or in person.

Our company does not discriminate against any of our customer's regarding age, race, nationality, creed, sex, sexual orientation, diagnosis/infectious disease or disability.

If, for any reason, we cannot fulfill your physician's order, we, will refer you to appropriate company that can.

## Obtaining Prescription

When obtaining prescription service at Quaker Community Pharmacy you may be required to sign associated intake forms presented for proof of delivery, assignment of benefits and financial liability. You will receive the following information and documents at the time of initial service and will asked to sign for their receipt on the Customer Service Agreement form.

Customer Bill of Rights and Responsibilities

## Less expensive drugs

Quaker Community Pharmacy will give you a lower-cost medicine instead of a more expensive brand-name drug if your doctor says it is ok.

These less-expensive drugs are called "generic".

Generic drugs may be given to you when you get new prescriptions and refills.

We will explain this to you in person or over the phone.
